

WE HOPE YOU LOVE YOUR UNIQUE SET FROM THE BAG LADY!

Want to take your gifting game to the next level? Here are some tips to help you wrap your special surprise like a pro!

A. Tissue Paper Bouquet

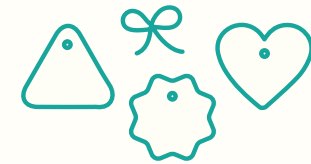

1. Lay a sheet of tissue paper out flat in front of you. You can also use several sheets of tissue at a time (in more than one color if you prefer!) by staggering each sheet slightly around the center so that the corners do not match up, creating additional points.
2. Pinch the center of the tissue and pull up on the paper.
3. Give the pinched end a swirl, like you are creating a bouquet of flowers to make the corners of the paper stand up.
4. Place your tissue paper bouquet inside the gift bag point down and "fluff" the corners to fill out the opening of the bag.

B. Double-Wrapped Gift

Love the suspense of unveiling a gift wrapped with traditional paper, but the simplicity of our gift bag sets? You can have the best of both!

1. Lay a single sheet of tissue paper (or multiple sheets for less transparency) flat in front of you, and use it as you would traditional wrapping paper to completely cover the contents of your gift.
2. Feel free to add ribbon or tie a bow around your tissue-wrapped gift in a color that matches the gift bag you've selected.
3. Place your wrapped item inside the bag and create a tissue paper bouquet from Option A above to fill the bag opening with tissue paper.

C. Custom Shape Gift Tag

1. Select a gift bag and fold one locking end of the ribbon handle, then slide the ribbon out from the hole.
2. Gently remove the pre-hung gift tag.
3. Use a creative hole puncher or a pair of scissors to turn your rectangular hanging gift tag into a fun shape of your choice - Be careful not to cut through the pre-punched hole in the tag so that you can re-hang it once complete.
4. Once you are satisfied with your custom shape, gently re-thread the tag onto your gift bag handle, fold the locking end of the ribbon, and slide it back through the hole.

Have another idea to dress up your gift bags? We'd love to hear all your creative ideas! Share your customized gift bags with us by using the contact form on our website, or email us at contact@the-bag-lady.com

HAPPY GIFTING!
